Board of Directors Seniors in Service of Tampa Bay, Inc.

# **Report on Financial Statements**

We have audited the accompanying financial statements of Seniors in Service of Tampa Bay, Inc. (a non-profit organization), which comprise the statement of financial position as of December 31, 2017, and the related statements of activities and changes in net assets, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

# Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Seniors in Service of Tampa Bay, Inc. as of December 31, 2017 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

# Report on Summarized Comparative Information

We have previously audited Seniors in Service of Tampa Bay, Inc.'s 2016 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated June 21, 2017. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2016, is consistent, in all material respects, with the audited financial statements from which it has been derived.

# **Other Matters**

## Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

# Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 27, 2018 on our consideration of Seniors in Service of Tampa Bay, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Seniors in Service of Tampa Bay, Inc.'s internal control over financial reporting and compliance.

#### NOTES TO FINANCIAL STATEMENTS

## December 31, 2017

# NOTE A - NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A description of the organization and a summary of its significant accounting policies consistently applied in the preparation of the accompanying financial statements follow:

#### 1. <u>Background Information</u>

Seniors in Service of Tampa Bay, Inc. (the "Organization") was incorporated on March 20, 1984 as a Florida nonprofit organization. The Organization's mission is to engage people in volunteerism, particularly those ages 55+, to help children succeed and elders remain independent by recruiting and training devoted and skillful volunteers. The Organization is awarded grants and contracts to sponsor the Foster Grandparent Program, Senior Companion Program and Retired and Senior Volunteer Program for Hillsborough, Pinellas, and Polk Counties in the state of Florida. These programs are funded primarily though grant agreements with the Corporation for National and Community Service. Other primary funding sources are United Way of Tampa Bay, Inc., Hillsborough County Community Development Block Grant, Hillsborough County and Pinellas County School Boards, and other foundation grants and contributions.

A significant portion of the revenues and support generated by the Organization are funded through federal and local government grants. The Organization re-negotiates its contracts on an annual basis.

#### 2. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and are prepared under the guidance of the Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC").

FASB ASC 958-605 requires the Organization to distinguish between contributions that increase permanently restricted net assets, temporarily restricted net assets, and unrestricted net assets. It also requires recognition of contributed services meeting certain criteria at fair values. Additionally, under the guidance of FASB ASC 958-605, unconditional promises to give that are expected to be paid in less than one year are measured at net realizable value (settlement value). Conditional promises to give, which depend on the occurrence of a specified future and uncertain event to bind the promisor, are recognized when the conditions on which they depend are substantially met.

FASB ASC 958-205 establishes standards for general purpose external financial statements of not-for-profit organizations and requires a statement of financial position, a statement of activities, and a statement of cash flows.

The three classes of net assets, based on the absence or existence of donor-imposed restrictions, are defined as follows:

# NOTES TO FINANCIAL STATEMENTS - CONTINUED

## December 31, 2017

## NOTE A - NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

- <u>Unrestricted net assets</u> not subject to donor-imposed restrictions, or the donorimposed restrictions have expired
- <u>Temporarily restricted</u> subject to donor-imposed stipulations that may be fulfilled by actions of the Organization or become unrestricted by the passage of time.
- <u>Permanently restricted net assets</u> subject to donor-imposed stipulations that must be retained and invested permanently by the Organization. Currently, the Organization has no permanently restricted net assets.

The Organization recognizes public support, revenue, and expenses on the accrual basis. Support and revenues from grants and contracts are generally recognized as eligible costs are incurred and/or required services performed, and all grant receivables are deemed to be fully collectible.

Functional expenses are allocated between programs on the basis of specific identification, where possible, or management's best estimates.

#### 3. Investment

The investment consists of a Certificate of Deposit and is carried at fair value in the Organization's financial statements. Purchases and sales of investments are reflected on a trade date basis. Income from the investment is recorded as earned on an accrual basis. The investment totaled \$106,411 at December 31, 2017.

#### 4. Property and Equipment

Property and equipment are capitalized at cost when purchased, or if donated at estimated fair value at the date of gift. Assets are capitalized when the purchase price exceeds \$500 and the estimated useful life is more than one year. Depreciation is calculated using the straight-line method over the following estimated useful lives of the assets:

Furniture and equipment	3 - 7 years
Building and building improvements	10 - 40 years

#### 5. Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Chapter 220.13 of the Florida Statutes, respectively; and has not taken any uncertain tax positions. Accordingly, no provision for income taxes has been recorded in these financial statements. The Organization has not reported any unrelated business income; however, such status is subject to final determination upon examination, if any, of the related income tax returns by the appropriate taxing authorities. Tax years after 2013 remain subject to examination by federal and state taxing authorities.

#### 6. Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### 7. Cash, Cash Equivalents, and Concentration of Credit Risk

The Organization considers all highly liquid investments with maturities of three months or less when purchased to be cash equivalents.

The Organization maintains all of its demand deposit and money market accounts with financial institutions in the state of Florida. Accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000 in total per financial institution. The Organization manages this risk by maintaining accounts in separate financial institutions.

Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. 	\$ 45,400

Rent expense under operating leases for the year ended December 31, 2017 approximated \$16,800.

#### NOTE F - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board *Accounting Standards Codification* 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

### NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2017

### NOTE F - FAIR VALUE MEASUREMENTS - Continued

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.
- Level 2 Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for that asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means;
  - If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for significant assets measured at fair value at December 31, 2017:

*Certificate of deposit:* Valued at the cost plus accrued interest through the reporting date.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

# NOTES TO FINANCIAL STATEMENTS - CONTINUED

#### December 31, 2017

## NOTE F - FAIR VALUE MEASUREMENTS - Continued

The following table sets forth by level, within the fair value hierarchy, the Organization's financial assets at fair value as of December 31, 2017:

	Fair	Level 1	Level 2	Level 3
	Value	Inputs	Inputs	Inputs
Certificate of deposit	\$ 106,411	\$-	\$ 106,411	\$-

### NOTE G - TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consist of time restricted funds received for the rehabilitation and improvement of the Organization's property. The time restrictions expire on a straight-line basis over the five year term of the underlying loan agreements (see note D). The value of the temporarily restricted net assets was \$32,087 as of December 31, 2017.

#### NOTE H - SUBSEQUENT EVENTS

The Organization has evaluated events and transactions occurring subsequent to December 31, 2017 as of June 27, 2018, which is the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Seniors in Service of Tampa Bay, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Seniors in Service of Tampa Bay, Inc. (a non-profit organization) which comprise the statement of financial position as of December 31, 2017, and the related statements of activities and changes in net assets, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 27, 2018.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Seniors in Service of Tampa Bay, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Seniors in Service of Tampa Bay, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Seniors in Service of Tampa Bay, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Seniors in Service of Tampa Bay, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Board of Directors Seniors in Service of Tampa Bay, Inc.

## Report on Compliance for Each Major Federal Program

We have audited Seniors in Service of Tampa Bay, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Seniors in Service of Tampa Bay, Inc.'s major federal programs for the year ended December 31, 2017. Seniors in Service of Tampa Bay, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying Schedule of Findings and Questioned Costs.

# Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Seniors in Service of Tampa Bay, Inc.'s major federal programs based on our audit of the types of compliance referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Seniors in Service of Tampa Bay, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Seniors in Service of Tampa Bay, Inc.'s compliance.

## **Opinion on Each Major Federal Program**

In our opinion, Seniors in Service of Tampa Bay, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2017.

Management of Seniors in Service of Tampa Bay, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Seniors in Service of Tampa Bay, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Seniors in Service of Tampa Bay, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiencies, in internal control over compliance is a deficiencies, in internal control over compliance is a deficiency of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.
