A Volunteer 36 Years Strong
Margaret Goodson has been volunteering with Meals on Wheels for 36 years. As part of the Retired Senior Volunteer Program (RSVP), she has done every job at Meals on Wheels from food prep to office administration. Now, at the age of 93 she helps out in the office on Mondays. After giving up driving, a staff member from Meals on Wheels picks her up so she can continue to generously give her time to that organization. We, at Seniors in Service, join President Obama in acknowledging Margaret Goodson with her Lifetime Achievement Award for her extraordinary volunteerism.

New Training Technology from the Children’s Board
We advanced our monthly training technology by leaps and bounds by adding a Promethean Touchboard to our training room. Now monthly volunteer trainings can be more collaborative and user-friendly.
Veteran Volunteers Honored This November

Volunteers who are veterans and volunteers who serve Veterans were honored with special pinning ceremonies at their November in-service trainings. We can’t do enough to thank our veterans for their military service and for their volunteerism. And we thank our volunteers who serve veterans in need of support in their current civilian lives.

What Does Seniors in Service Do?

Seniors in Service of Tampa Bay is a 501(c)3 non-profit whose mission is to engage people in volunteerism, particularly those ages 55+, to help children succeed and elders remain independent by recruiting and training devoted and skillful volunteers.

Our programs are:

**Retired Senior Volunteers Program (RSVP):** 55+ volunteers can help the community in several categories from mentoring of elementary students to teaching healthy lifestyle choices to kids to providing senior companionship and reassurance over the telephone. The nation’s largest 55+ volunteer program, it has no minimum requirement for volunteering - serve as little as 1 hour. "Got an hour? Give an hour!"

**Foster Grandparents:** 55+ volunteers assist teachers in the classroom in mostly Title 1 schools, head start programs and after-school facilities. This program is a win-win-win for a senior volunteer to stay purposeful, a teacher in a high-risk school to receive caring help and students in high-risk schools to receive one-on-one mentoring and tutoring in their areas of greatest need.

**Senior Companions:** 55+ volunteers provide companionship and care to homebound, frail seniors. Volunteers get as much benefit as clients when visiting a senior who needs compassion.

Additionally, we always welcome donations and assistance in growing our organization and mission from people of any age. We even have board openings if you’re ready to get involved!

Call Seniors in Service of Tampa Bay at (813) 932-5228 to find out how you TOO can Bridge Generations Through Volunteer Service!

Congratulations to Board Chair Susan Boyd

On November 19th, Board Chair Susan Boyd was honored as the winner of the Tampa Bay Business Journal’s Outstanding Director Award for the Small Non-Profit category. She shared the stage with Theron “TD” Hawkins of Achieva Credit Union and Charles Adair of Tech Data among others. Susan Boyd’s leadership has elevated the organization’s growth and service to the community. She spearheaded the creation of a Governance Committee to oversee the professionalism and accountability of the board. She helped identify high quality board member prospects to increase the board’s effectiveness. She also led the board in creating a strategic plan, identifying increasing community awareness as its top strategic goal. That lead to rebranding, website re-design and an enhanced marketing plan (all launching in January!).

Congratulations to Board Chair Susan Boyd!

Special Thanks to our Funders!
Our 31st Annual
Bridging Generations Breakfast

A joyful breakfast was had by all at our 31st Annual Bridging Generations Breakfast at the Renaissance
International Plaza on October 31st. Our keynote speaker, Ernest Hooper of the Tampa Bay Times sparkled
guests with his heart-felt tribute to his grandmother and what she meant to him. And the whole room was
enchanted when he proclaimed, “I want to be a Senior in Service!” from her inspiration. Foster Grandparent
Volunteer Kathie Nosworthy added a comedic tone to her speech when she doned her Halloween costume. Emcee
Trevor Pettiford from BayNews9 encouraged the whole room to join him in a rousing “Happy Birthday, Kathy!”
as her birthday was the following day. It probably wasn’t even the most rousing birthday wishes she received that
day because she was on her way to her volunteer classroom right after her speech and she told us how excited the
students were about her birthday. And Senior Companion volunteer Asleen Griffin touched all our hearts with her
tale of her client. After a stroke robbed him of his ability to speak and read many years ago, her patient and loving
companionship has brought him back out of loneliness and frustration. He is speaking in full sentences again and
he reads primers that Asleen found online for him with the help of her granddaughter. Our volunteers truly Bridge
Generations in so many ways!

Thank you to our generous sponsors and donors who make this heart-warming event possible.
